

Our Policy On Confidentiality And Privacy

Earning Your Confidence....

Preserving Your Trust

FACTS

WHAT DOES SAN DIEGO TRUST BANK DO WITH YOUR PERSONAL INFORMATION?

Why?

Financial institutions choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.

What?

The types of personal information we collect and share depend on the product or service you have with us. This information can include:

- * Social Security number and income
- * Account balances and payment history
- * Credit history and credit scores

When you are *no longer* our client, we continue to share your information as described in this notice.

How?

All financial institutions need to share client's personal information to run their everyday business. In the section below, we list the reasons financial institutions can share their client's personal information; the reasons San Diego Trust Bank chooses to share; and whether you can limit this sharing.

Reasons we can share your personal information	Does San Diego Trust Bank share?	Can you limit this sharing?

Who we are

Who is providing this notice? San Diego Trust Bank

What we do

How does San Diego Trust Bank protect my personal information? To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

How does San Diego Trust Bank collect my personal information? We collect your personal information, for example, when you

- * Open an account or deposit money
- * Pay your bills or apply for a loan
- * Use your credit or debit card

We also collect your personal information from others, such as credit bureaus or other companies.

Why can't I limit all sharing?

Federal law gives you the right to limit only

- * Sharing for affiliates' everyday business purposes - information about your creditworthiness
- * Affiliates from using your information to market to you
- * Sharing for non-affiliates to market to you

State laws and individual companies may give you additional rights to limit sharing.
